# **LUMBA LUMBA PENYELAMAT**

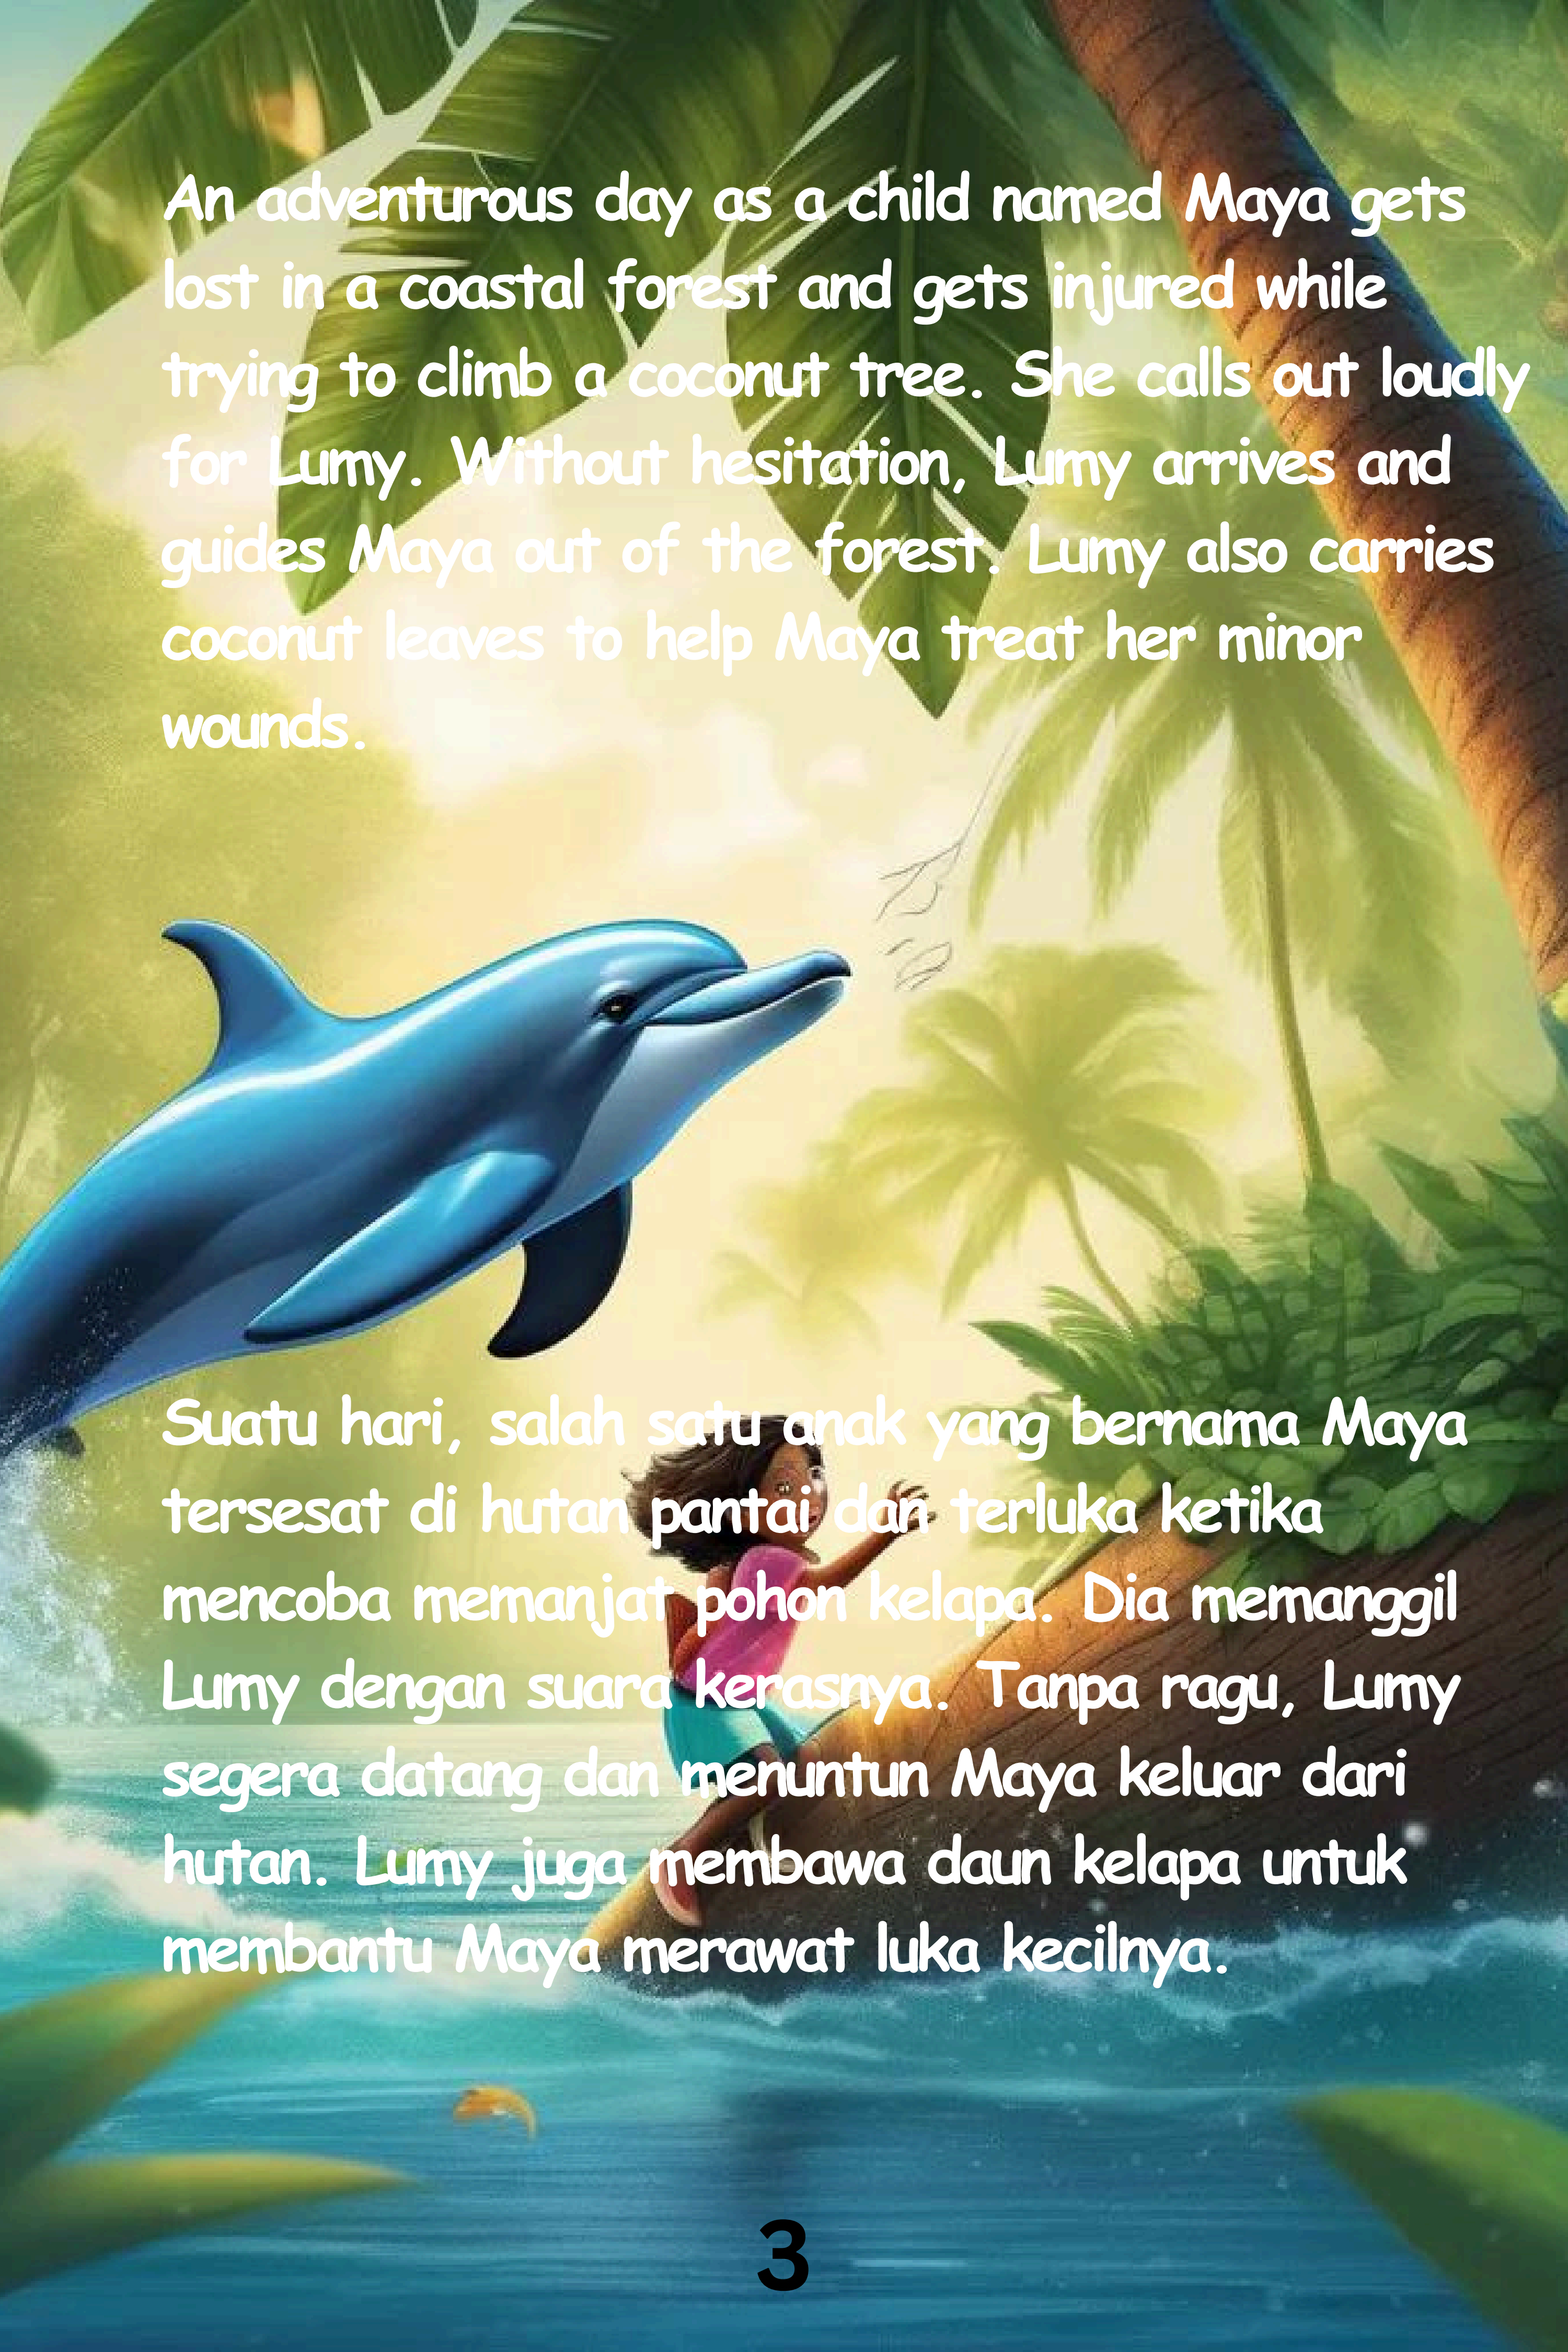

In the middle of their adventurous journey on the small island, the children are gathered on a rocky outcrop at the edge of the sea. The sun is beginning its descent, casting a warm golden hue across the tranquil blue waters. Waves gently lap against the shore, creating a soothing melody that fills the air.

Di sebuah pulau kecil yang dikelilingi oleh laut biru, hiduplah sekelompok anak-anak yang gemar bermain di pantai setiap hari. Mereka suka berenang dan menjelajahi keindahan laut. Salah satu teman mereka yang paling istimewa adalah Lumba-Lumba Penyelamat yang tinggal di perairan dekat pantai itu.

In the midst of a sunny afternoon on the island, a small group of children gather excitedly on the sandy beach. The azure sea stretches out before them, reflecting the clear blue sky above. Standing just offshore, the playful figure of Lumy, the Rescue Dolphin, emerges from the water with a joyful leap. Sunlight glints off Lumy's sleek, silver-gray body, highlighting its intelligent eyes and friendly smile.

Anak-anak di pulau itu senang berteman dengan Lumba-Lumba Penyelamat. Mereka memberinya nama "Lumy" karena dia selalu muncul dengan senyum cerahnya saat anak-anak datang ke pantai. Lumy sangat pintar dan bisa berkomunikasi dengan anak-anak melalui suara ceria dan gerakan badannya yang lincah

"Children are playing on the beach when suddenly a storm approaches. Huge waves crash, trapping the children. Without hesitation, Lumy swiftly swims towards them and guides them back to the safe shore, wrapping its body around them like a shield."

Ketika anak-anak sedang bermain di tepi pantai, tiba-tiba badai datang. Gelombang besar menerjang, membuat anak-anak terjebak. Tanpa ragu, Lumy berenang dengan cepat ke arah mereka dan membimbing mereka kembali ke tepi pantai yang aman dengan cara melingkarkan tubuhnya di sekitar mereka seperti perisai.

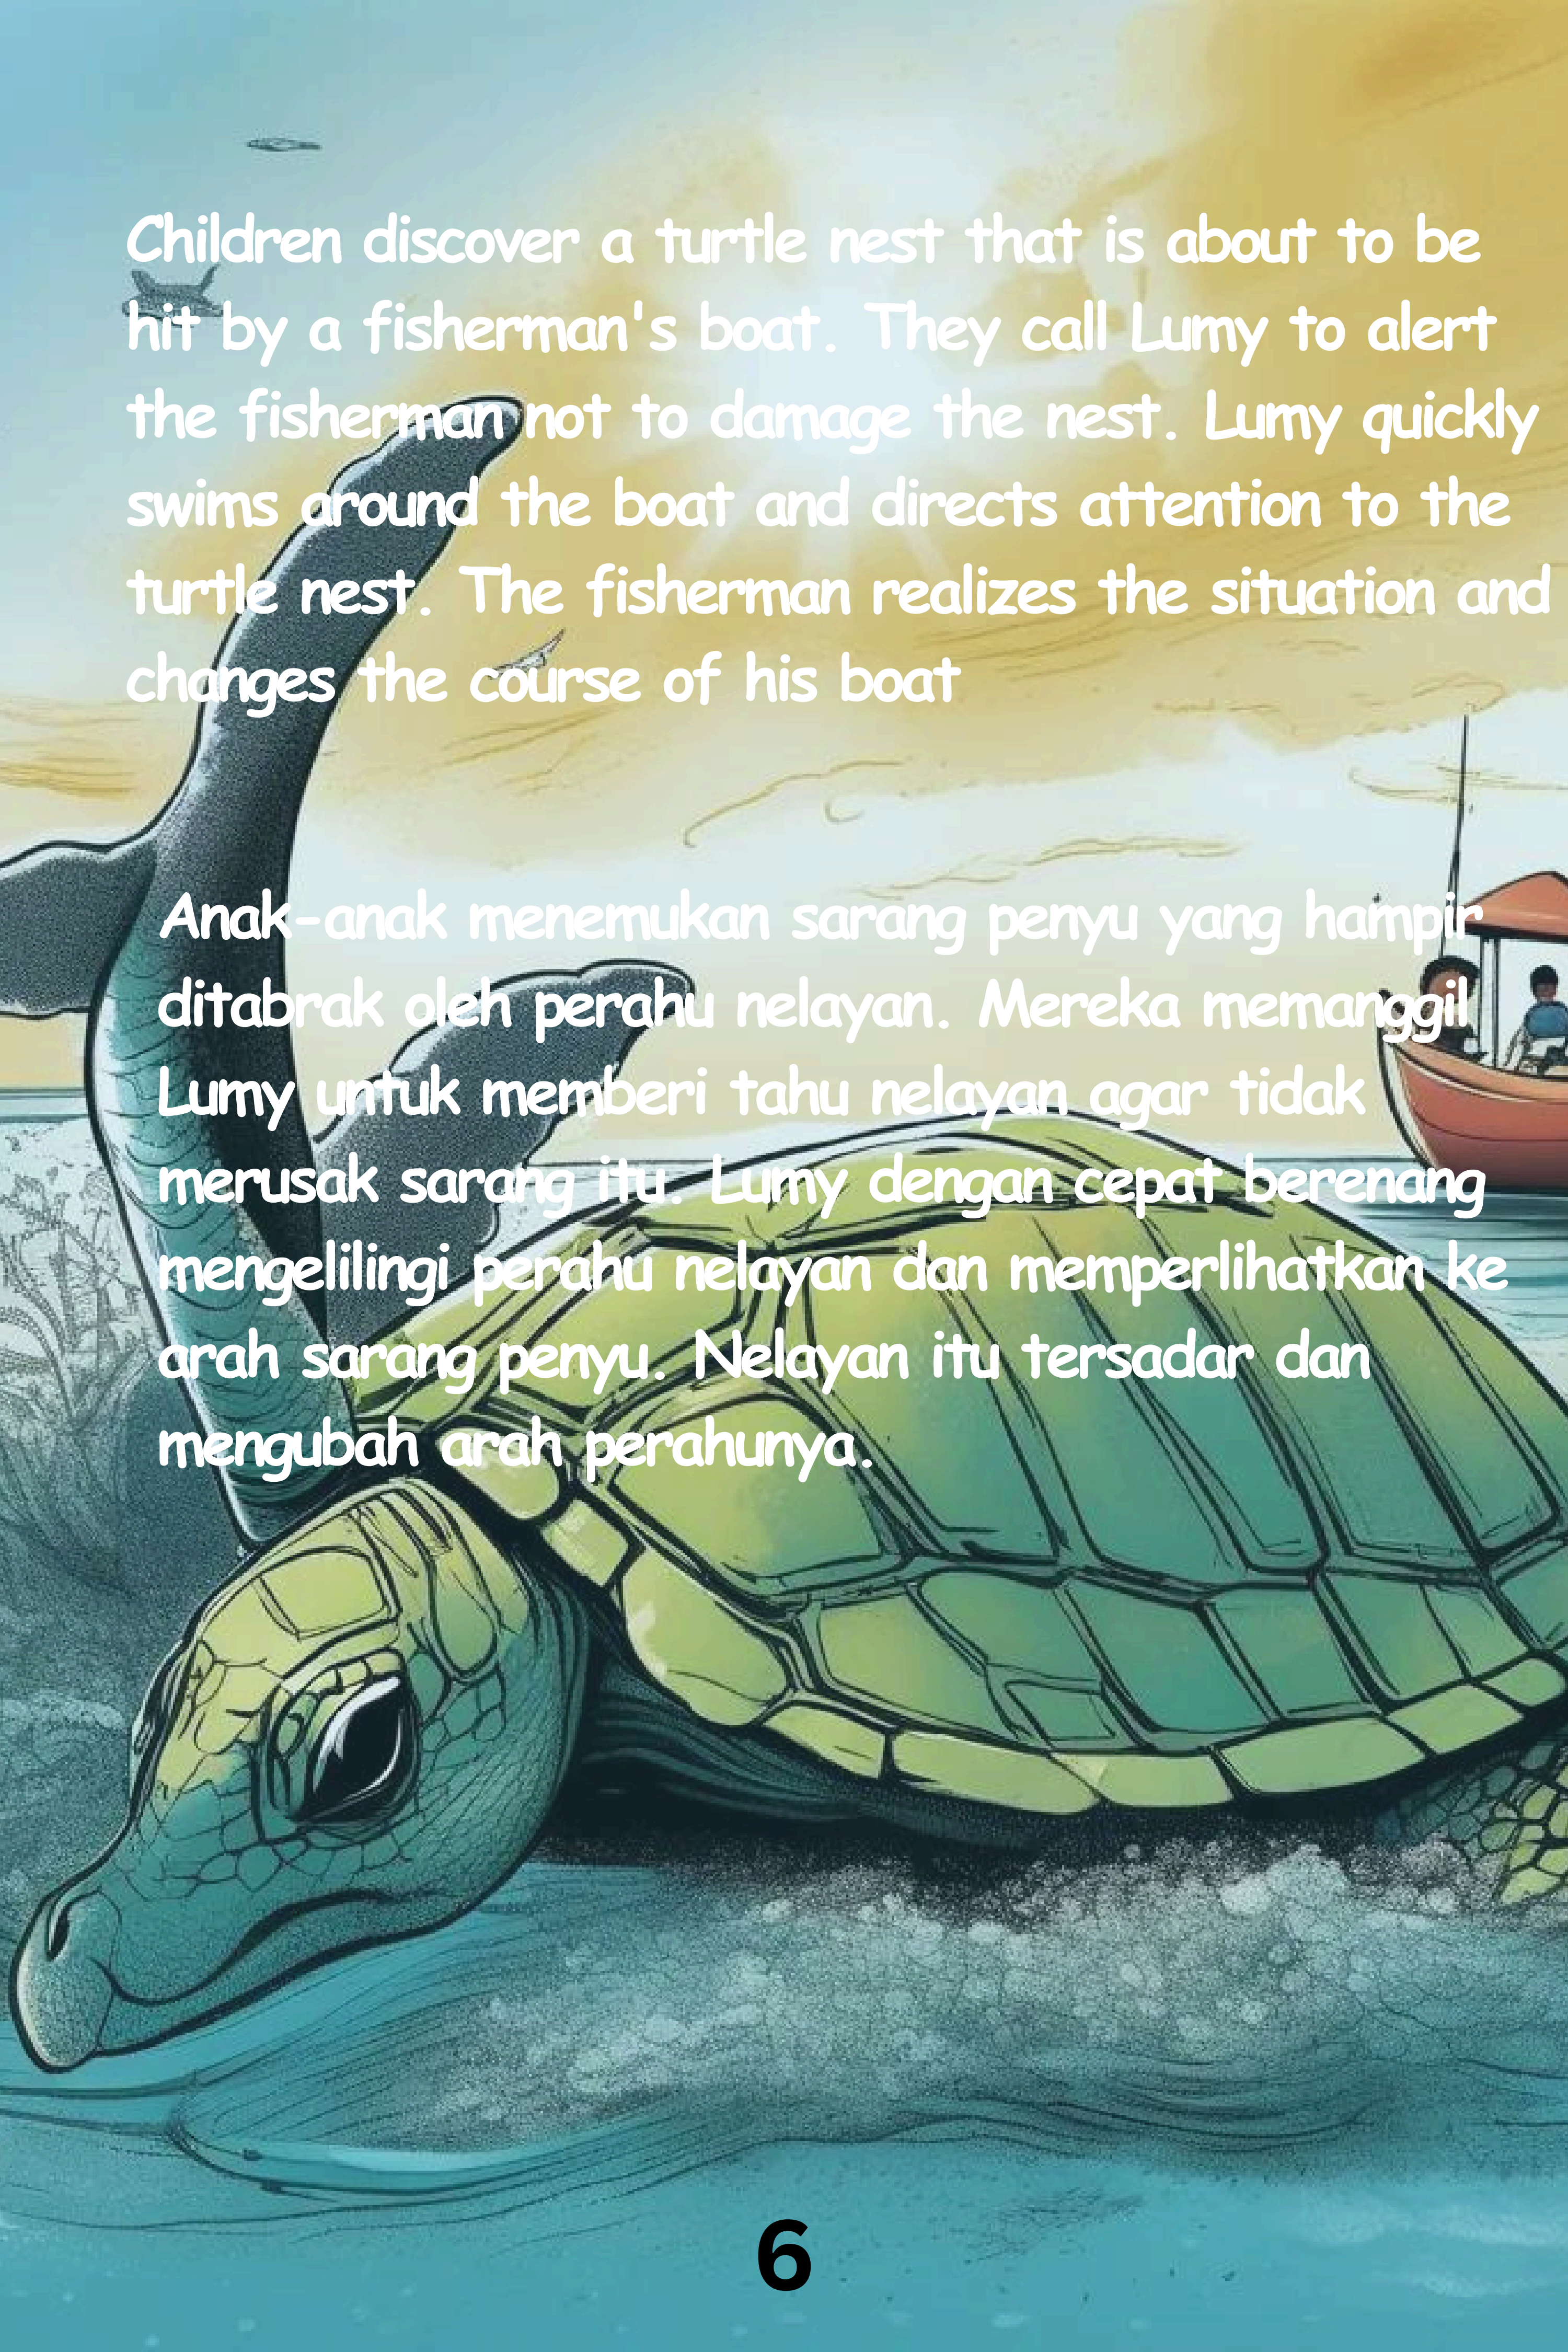

One day, children discover the wreck of a sunken ship on the seabed near the beach. Curious about the story behind the ship, they want to explore it further. Lumy assists them in exploring the shipwreck, guiding them and pointing out the large holes where dolphins can swim in and out

Akhirnya, anak-anak belajar dari Lumy bahwa kebaikan dan pertolongan bisa datang dari siapa saja, bahkan dari hewan laut yang cerdas seperti dia. Mereka berjanji untuk selalu menjaga laut dan makhluk yang tinggal di dalamnya, serta menghargai persahabatan mereka dengan Lumy sepanjang hidup mereka.
